Other Events

On August 13 2015, we cooperated with law enforcement officials in connection with an investigation relating to a limited number of counterparties of QIWI. Part of this investigation was conducted at the Moscow offices of QIWI Group. QIWI Group regularly receives and handles enquiries from law enforcement agencies on a regular basis.

“Cooperation with law enforcement agencies is one of the tasks of our company. We closely cooperate with them in matters that relate to uncovering fraud, illegal trading and other unlawful activities. This most recent occasion required us to provide certain additional information concerning our users, clients, partners and employees. While law enforcement officers were on site, the company and our payment services continued to operate normally,” a representative of QIWI Group commented.
