The Offer was conditioned on at least 20,286,207 Class B Shares (including Class B shares represented by ADSs) being validly tendered and not properly withdrawn prior to the expiration of the Offer (the “Minimum Condition”). As of the expiration of the Offer, 857,702 Class B Shares and 11,680,554 ADSs had been validly tendered pursuant to the Offer and not properly withdrawn. As a result, the Minimum Condition was not satisfied and the Offerors have terminated the Offer and, accordingly, none of the Class B shares or ADSs tendered were purchased by the Offerors in the Offer. The Offerors have instructed the Receiving Agent to promptly return all previously tendered and not withdrawn Securities to their respective holders.

Given that the Minimum Condition was not satisfied and the Offer has been terminated, the Offerors intend to continue to review their investment in QIWI and may, at any time, acquire additional Securities in the open market or in privately negotiated transactions, with or without prior notice.

On July 17, 2017, the Offerors issued a press release announcing the termination of the Offer. The full text of the press release is attached as Exhibit (a)(5)(i) to the Schedule TO and is incorporated herein by reference.”
